NORTH BECKTON PRIMARY SCHOOL

"We All Belong"

Book Worms

North Beckton were delighted to open their classroom doors last week so that parents and carers could come into school to read with their children. They learnt all about the set texts the different year groups are using and about how encouraging their children to regularly use their Reading Records supports their reading. It was fantastic to see so many parents back in school, keen to support their children's learning.

North Beckton
Primary School,
Harrier Way,
Beckton,
London, E6 5XG

Prospective families are welcome to arrange visits at any time.
