Working in Partnership with Parents

We value the input of the parents into their children's education and we welcome working together to ensure that the pupils have the most amazing experience of school.

Please be reminded of our Parent/Visitor Code of Conduct which you may have seen up around school

Parent and Visitor

Code of Conduct

The Tapscott Learning Trust prioritises the health and happiness of our children, teams and community because we know this is crucial and also the best way to support learning. A key part of this is treating everyone with respect.

Our staff are here to help and they will endeavour to provide the highest quality of service possible. They will act courteously towards all parents, pupils and visitors they have contact with.

We have a parent and visitor code of conduct in place for all visitors to our schools with the aim of resolving matters together. **The schools in the Tapscott Learning Trust will not tolerate the behaviour of any parent, visitor or pupil who may become abusive and threatening or actually assault a member of our staff.**

The school and the Tapscott Learning Trust will take the appropriate action necessary to protect and ensure the safety of staff and will report any abusive or threatening behaviour to the relevant authorities.

If you have any particular concerns, then please do not hesitate to contact a member of our staff or refer to our Concerns & Complaints Policy which can be found on our website.

Attendance and Punctuality

Attendance and Punctuality is very important at North Beckton. If your child is not in school, they will miss out!

Our School Attendance Policy

Your child **must** attend school regularly and punctually each day.

Receiving a full-time, suitable education is a child's **legal** entitlement, and it is the parent/carer's legal responsibility to ensure this.

Your child can not learn and achieve if they are not in school.

Please refer to our schools attendance policy on the school website for more information..

If my child is too unwell to come to school.

Step 1: Every parent **must** contact the school by 9:00am and report their child's absence via our **Studybugs** app or by telephone.

Step 2: If your child is absent from school then medical evidence **must** be provided to authorise these absences. Please note that handwritten letters will not authorise absence.

Medical evidence we will accept:

1. A prescription/prescribed medication with your child's name on the box/bottle
2. Appointment letters/text
3. Hospital/discharge letter (if provided)

Days Absent	Weeks Missed	Attendance %
1	1 Day	99.5%

Letters will be sent to keep you informed about your child's attendance.

Term Time Leave/Penalty Notices

A new national framework was introduced in August 2024 in regards to how Penalty Notices are issued. **ALL** leave requests should be discussed with the schools Attendance Officer, Mrs Omer.

Educational visits

- We value support of parent volunteers on trips
- Parents will be selected by teachers fairly (ensuring a range of parents are able to attend visits throughout the school year)
- Parents are expected to read and sign educational visits agreement before any trips
- Please return any trip letters as soon as possible if you would like to be a volunteer

Parent/Volunteer Accompanying Trips or Visits Agreement

Thank you for volunteering to accompany our pupils on this trip/visit. Both pupils and staff gain huge benefits from your involvement and we hope that you too find it to be a rewarding experience.

Before the trip takes place, we ask that you read through our Educational Visits and Trips Protocol for Parent volunteers and sign this form to confirm your agreement to the school's expectations of you as a parent volunteer.

P.E. (Physical Education)

- With physical health a priority, more time is being given to staying healthy in school.
- Our year group's PE lessons are timetabled for Monday
- Pupils are encouraged to come into school that day in their PE kits and labelled water bottles to avoid bringing additional bags into school.

How can you help with your child's learning?

- All homework will be on Google Classrooms on Friday.
- Reading regularly with your child (you reading to them + listening to them read).
- 10 spellings a week

Reading

At North Beckton, we know the importance of reading daily and the benefits this has to not only your child's education, but also their well-being.

Children will have their reading records regularly monitored to check they are reading daily for 20 minutes.

If children are not reading, there is a procedure at North Beckton.

1) Your child's teacher will ring you up to have a discussion about reading at home.

During this conversation, you will be informed that they need to be reading at home daily, and if not they will be asked to read during lunch for the day before they have not read.

We care about your child's learning. We are doing this to make sure your child progresses.

Children can be exposed to 1.8 million words in each school year if they read for 20 minutes each day.

THE IMPORTANCE OF READING

- IMPROVE YOUR COMMUNICATION SKILLS
- EDUCATES YOU
- KEEP YOUR BRAIN HEALTHY
- REDUCES STRESS AND ANXIETY
- MOTIVATE AND INSPIRES YOU
- STIMULATES YOUR CREATIVITY
- STRENGTHENS YOUR WRITING ABILITIES

Reading aloud is a great way for your child to practise their fluency and understanding of a text. As you are reading, use the questions below as a guide. Your child will be able to change their reading book each week when they visit the library with their class. Please try and read with your child every day and complete their reading record. Handwriting

•Improves Learning and Memory

Writing by hand helps your brain remember information better than typing. It makes learning easier, especially for students.

•Supports Brain Development

Handwriting strengthens focus, thinking, and fine motor skills. It's especially important for young children as their brains and bodies grow.

•Encourages Creativity and Self-Expression

Your handwriting is unique to you. Writing by hand helps you express your thoughts, feelings, and creativity more personally.

•Useful in Everyday Life

Even in a digital world, we still need handwriting for taking notes, signing documents, writing lists, and more.

•Adds a Personal and Emotional Touch

A handwritten letter or card often feels more special and thoughtful than a typed message or text.

Online Safety

This year children will be using online resources such as Google Classroom much more, learning how to stay safe online if built into our Time For Us and Topic curriculum.

Please ensure that pupils are not using apps such as Roblox, Tik Tok, Whats App etc as these are not age appropriate for primary aged children.

The use of social media unsupervised can result in issues which can then disrupt learning at school.

As a school, we are happy to support parents in setting up appropriate parental controls and advising on how to keep children safe online.

Online Safety

Follow the SMART rules to stay safe online

S

Stay **safe** online by not sharing personal information

M

Do not **meet** anyone who you have only made friends with online

A

Do not **accept** messages or friend requests from strangers

R

Not everything online is **reliable**. Some people online are strangers and may try and trick us

T

Tell an adult you trust if anything happens online that you don't like
