Please also note that as a school we are in the process of going 'cashless'. This means that we will no longer be accepting cash payments for education visits, workshops and events. All items will need to be paid for by using a secure online payment system called School Money (website [www.eduspot.co.uk](http://www.eduspot.co.uk))

Some of you will already have set up your School Money account, as activation letters were issued to all parents several months ago.

If you are struggling to use the School Money system, please give us a call so we can talk you through the system.

If you have any questions or queries about the above permission slips please feel free to speak to your child's class teacher.

Kind regards,

Ms Helm
