

# RELIGIOUS EDUCATION

Over the past couple of weeks, we have been researching how the Prophet Muhammad's words and actions affected the way Muslims lead their lives.

This week we are going to think about who has been the biggest influence on your life and why.

You could choose any of the following if you would like to: religious figure, a sports personality, an actor, an author, a teacher, a member of your family or a friend. It can be anyone!

Think about how this person has impacted your life and why...

Here are a few examples of people that could be considered influential:

Greta Thunberg

a family member

J K Rowling

Marcus Rashford

What qualities does an influential person have?

Have they overcome hardship to make a successful career that you admire? Do they care for you and put your needs before their own? There are lots of reasons why a person can be a big influence on you.

Use your home learning books or Google docs for this task. Include a photo or drawing if you can.

We are really looking forward to seeing who has had the biggest influence on your life!
