

Week beginning 06.07.20

# Home Learning

- Log onto Google Classroom and have a look at the assigned work! Don't forget to hand in your work so that your teachers can see it! Remember your login is glued into your reading record!
- To do this Google: Google Classroom and log in
- Top Tip: You will need to put in your entire email address and not just the username like we do on the chrome books in school! For example:  
username@northbeckton.newham.sch.uk
- Once you login in you should be able to access assigned work for Year 5 and if you need to you can comment and we will be able to reply.
- Work can also be accessed on the North Beckton website under 'Home Learning'. If you have trouble logging in to google classroom- you can find the work here

- This week's activities are based on revising fractions. There are different activities based on ordering and comparing, multiplying, adding and subtracting and simplifying fractions. Follow the guidance and instructions on the each sheet and complete the activities. Some lessons also have a Power Point slide for you to make use of. If you are unsure, go onto [www.mathisfun.com](http://www.mathisfun.com) to find out more.
- Don't forget to go onto TT Rockstars for 10 minutes every day to consolidate your times tables!

## ENGLISH

- This week's writing task is based on our community. Follow the tasks each day to create an informative leaflet based on our community. There will be a range of spelling, grammar and punctuation challenges to help you in the build up to your writing.
- Remember to read your library books for at least 15 minutes every day and to update your reading records. Let us know if you need any more library books from school. We can arrange this.
- Don't forget to go onto Spelling Shed for 10 minutes every day to develop your spellings further! I have looked at your accounts and can see who has been practising and can also create extra games for you to play to practise specific words! Please email us on [UKS2@northbeckton.ttl.academy](mailto:UKS2@northbeckton.ttl.academy) if you need a login and password.

- This week in topic we will be creating travel brochures for South America.
- In RE, we will be continuing with our unit on 'The Prophet Muhammed'. This week we will be continuing to find out how the prophet Muhammed's words and actions affected the way Muslims lead their lives.
- In Science we will be exploring metamorphosis and comparing different life cycles.
- Time for Us this week has a P4C theme and we will be exploring giving each other a helping hand.
- In Art, we will be making our headdresses!

Look forward to seeing your finished pieces!
