

This week are learning about Brazil!  
Read the PowerPoint attached and complete the tasks set within it.

Once you have completed that make your own fact file about Brazil using Google Slides or your home learning book!

Not sure what to include?

Have a look below for some inspiration!

- Where is Brazil?
- What language is spoken?
- What is the population?
- What is the capital city?
- What does the Brazilian flag look like?
  - What is the local cuisine?
- Can you describe some human features?
- Can you describe some physical features?
  - What are some of the celebrations?
- What religion is mainly followed in Brazil?
