

## HAND PRINT CRAB ART

Resources needed- red paint, glitter, glue, sand, small googly eyes (or some you have made),

And 2 hands!

Make a hand print crab to get in the seaside mood.

Have some fun putting some red paint on your hand, including your thumb

Make 2 prints on paper or card, with the 'thumbs' sticking up, you can make more than one version

## HAND PRINT CRAB ART

When the paint is dry , put on some glue and cover the 'crab' with glitter

You can glue underneath and sprinkle on some sand to make a beach.

Now stick on the eyes, and well done, you've made a crab!
