

The background features a series of vertical, slightly curved light trails in orange, yellow, green, and blue, creating a sense of depth and movement. The lights appear to be emanating from a point at the bottom center and spreading outwards. The overall color palette is dark, with the bright lights providing a strong contrast.

An informative leaflet

Your Task...

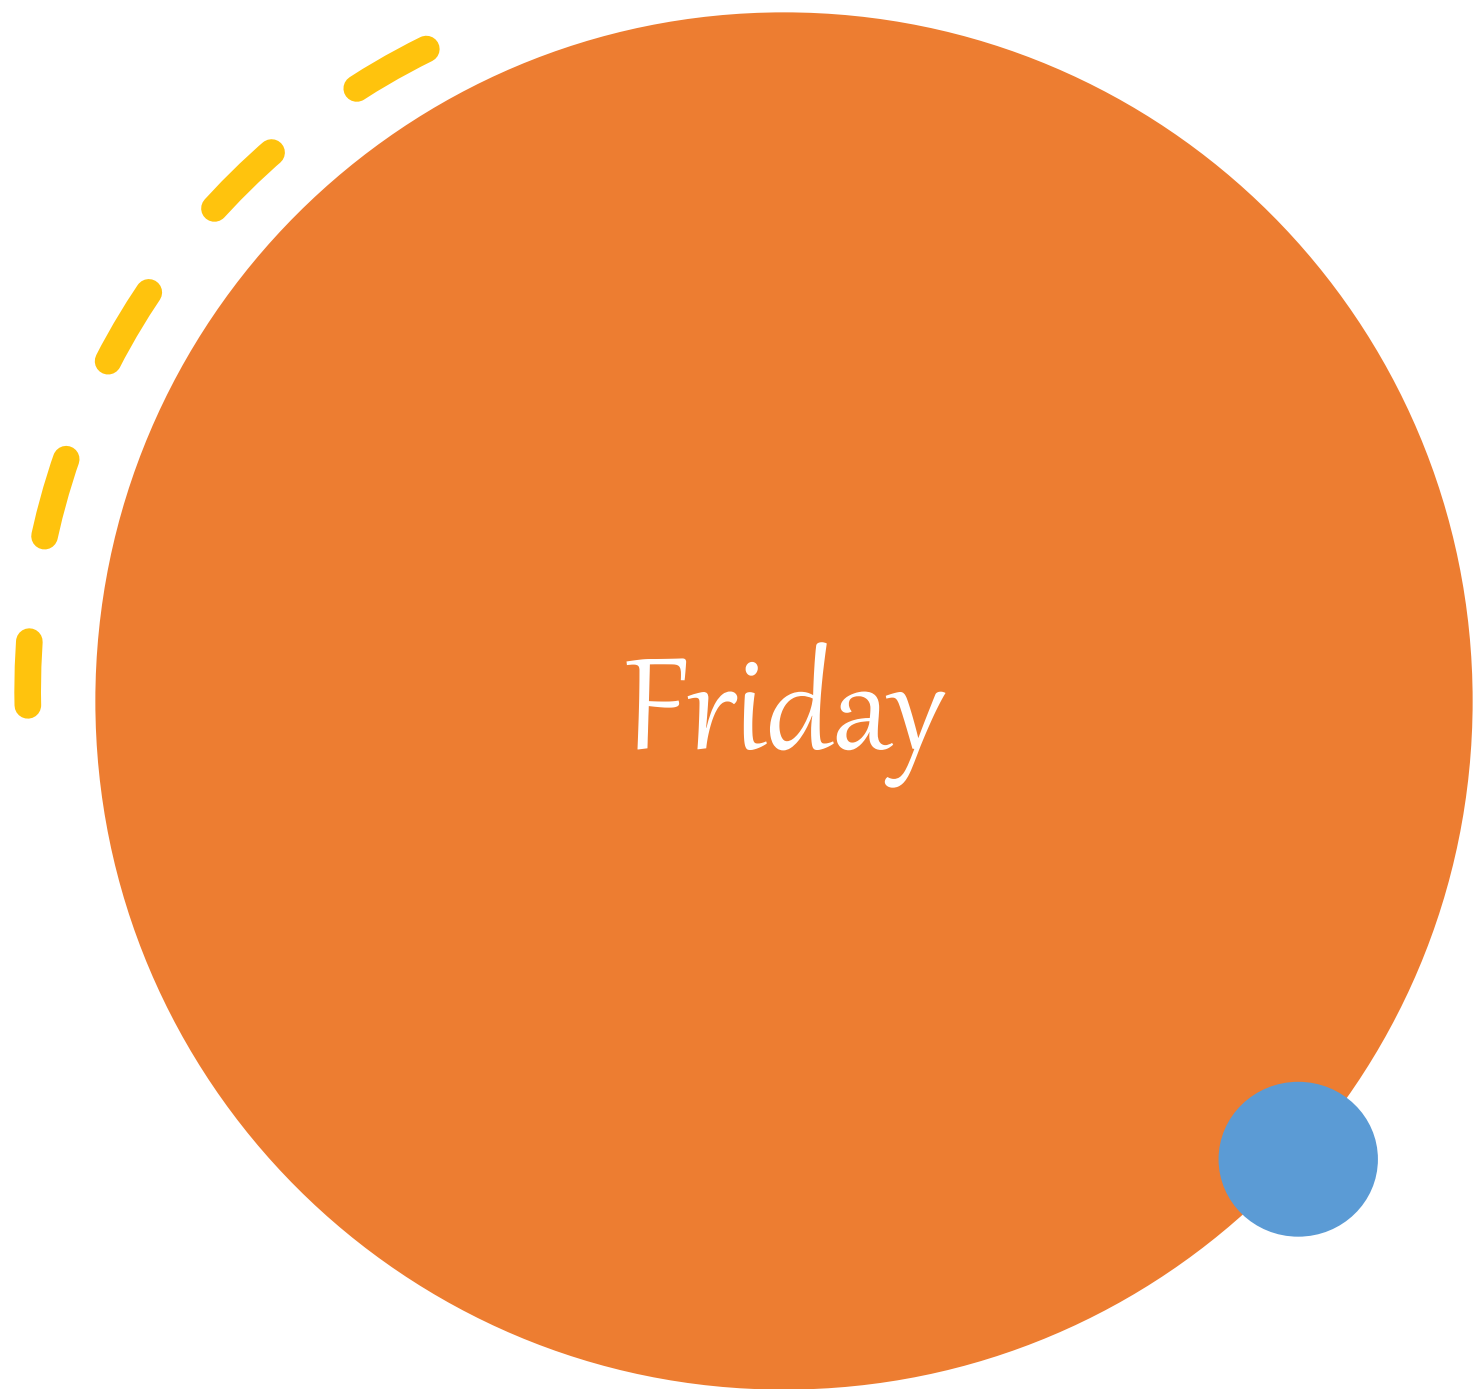

THIS WEEK WE WILL BE BUILDING UP TO WRITE
AN INFORMATIVE LEAFLET BASED ON OUR
COMMUNITY.

THE BUILD UP WILL FOLLOW THE USUAL STYLE
WITH VOCABULARY, SPELLING AND
PUNCTUATION CHALLENGES BEFORE PLANNING
AND WRITING YOUR LEAFLET.

EACH ACTIVITY WILL HAVE INSTRUCTIONS OF
WHAT TO DO AND YOU CAN USE THE WORK YOU
PRODUCE IN EACH TASK IN YOUR FINAL PIECE OF
WRITING!

Question Time...

Look closely at the image and answer the following questions.

- The artist has painted a scene whereby everyone is out on their balconies. Why do you think this is so?
- Some people are clapping. Who do you think they are clapping for and why?
- How does this show that these people are a community?
- Find and describe three examples of how someone is being creative in the image.
- If you were to be drawn on your balcony, what would you be doing and why?

What does kindness look like to you?
