

Varied Fluency

Step 1: Word Families

National Curriculum Objectives:

English Year 4: (3G6.4) [Word families based on common words, showing how words are related in form and meaning \[for example, solve, solution, solver, dissolve, insoluble\]](#)

Differentiation:

Developing Questions to support understanding and identifying word families when the suffix does not change the root word.

Expected Questions to support understanding and identifying word families when the suffix sometimes changes the root word.

Greater Depth Questions to support understanding and identifying word families when the suffix changes the root word or a prefix has also been added.
