

LEARNING FROM HOME

Reception -Week beginning 4.5.20

This term our topic is mini-beasts! For the next two weeks our activities will be focus around the book 'The Hungry Caterpillar'. See below for this week ideas around our different areas of learning.

<p>Literacy</p>	<p>Our Literacy text is 'The Hungry Caterpillar' by Eric Carle</p> <p>Read the story together (story can be found on youtube.com- search 'The Hungry Caterpillar')</p> <ul style="list-style-type: none"> - Can you remember what the caterpillar ate? - Can you draw and label all of them? - Can you create a story map? - Can you write about your favourite part of the story? 	 <p>Story map</p> 
<p>Understanding of the World</p>	<p>Learn more about bugs by visiting https://www.natgeokids.com/uk/</p> <p>Why not try and make a wormery? https://www.natgeokids.com/uk/home-is-good/how-to-make-a-wormery/</p>	
<p>Expressive Arts and Design</p>	<p>Make caterpillars using egg cartons and other junk modelling materials.</p> <p>Alternatively make a caterpillar by using your finger prints!</p> 	
<p>Malleable /Fine motor</p>	<p>Practise your threading! Create a template and add holes around the edge using a hole punch. Can you follow along by threading a string through the holes?</p>	
<p>Physical Development</p>	<p>P.E with Joe Wicks Youtube- search PE with Joe.</p>	
<p>Sensory</p>	<p>Make your own shakers and maracas this week! For a step by step guide visit: https://www.letsplaykidsmusic.com/homemade-musical-instruments-shakers-maracas/</p>	

For Maths and Phonics work this week. See the other documents in this week's folder.
