

This week in P4C I am going to be sharing with you a short video on Freedom.

Spot and Stripe love to argue about juicy questions, and they invite you to carry on the discussion!

Watch the video and then have a think about whether wild animals have more freedom than people. Do you agree with Spot or Stripe? You can discuss this with the adults/siblings in your home or write your thoughts in your home learning book or Google docs!

If you're unable to open the video, look at these two images- who has more freedom and why, wild animals or people?
