I would love to bild my own house of the fewcher. It would be built on an ieland and would have a large enclozhuh for my miniacher ponies. The building would be made of wood with a smooth texchuh while the furnichure would be made with woven weat and hay bales. There would be solar panels and a temprature control for every room so I never get too hot or too cold! Each room would be painted in carm colours to help me relax.
