

Apple Tree Snack

Visual Directions

Thank you for visiting my store and I hope you enjoy this product!

I recommend:

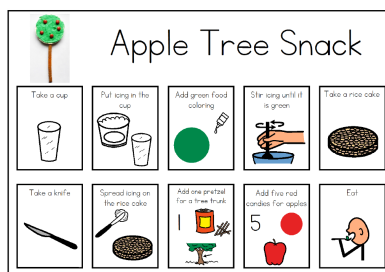

- Purchasing my Simple Snack Basic Visuals to go along with this snack activity and any other snack activities from Simply Visual that you might purchase

- Laminate board and add soft Velcro above each number
- Use picture cards for students to sequence steps

- Laminate, cut, and add hard Velcro to the back of each card
- Line up the Velcro with the Velcro on the blank snack board

- Laminate board
- Use as a model for students who need a visual to sequence steps
