# Launch App

The image shows a screenshot of a 2Do application interface. At the top, there is a black header bar with the text "Blank Book Reviews" and a close button (an 'x' in a white square). Below the header, a preview of the "Book Reviews" app is displayed. The preview shows a book cover with a landscape illustration (sun, mountains, clouds) and a text area with placeholder text. Below the preview, there are two small yellow buttons labeled "En" and "Li".

Below the preview, the text reads: "Just finished reading a book? Why not share your thoughts and feelings with this book review template."

At the bottom of the preview area, there are two buttons: "Launch App" (with an upward arrow icon) and "Set as a 2Do" (with a checkmark icon). A red arrow points from the "Launch App" button in the preview area down to the "Launch App" button in the main interface.

In the background, other app icons are visible, including "Book Reviews" (with a book icon and stars), "Blank Author Fa File" (with a person icon), "Blank Sketchbook" (with a cat icon), and "Blank Diary" (with a book icon).

The browser's address bar and tabs are visible at the top. Below the browser window is a navigation bar with icons for home, search, and back. The main content area displays a book review form for 'Oliver Twist' by Charles Dickens. A sidebar on the left, titled 'Think About', contains five tabs: 'title', 'about', 'response', 'recommend', and 'author'. A red arrow points from the 'Think About' title to the 'title' tab. Another red arrow points from the 'title' tab to the 'Oliver Twist' title field. A blue arrow points from the 'author' tab to the 'Written by Charles Dickens' field. A third red arrow points from the 'about' tab to the 'What is the story about?' text area. The text area contains a paragraph of text: 'The book is about a poor boy who has no family because his mother dies in childbirth in a Victorian workhouse. The Workhouse owner, Mr Bumble, named the baby Oliver Twist and the book is about his adventures. When he runs away from the workhouse he meets a boy called Dodger who brings him to Fagin's house. He is an old man. There he meets some other homeless boys and Fagin offers him a place to stay. He teaches him to steal and things go wrong for Oliver from there. There is a really mean character, one of Fagin's friends, called Bill Sikes and a...'. A review text box on the right contains the text: 'I really enjoyed this book because there were lots of ups and downs and unexpected things happened. It was full excitement and suspense. It was very well written for a children's version of Oliver Twist, a Charles Dickens classic.' The browser's taskbar at the bottom shows the Windows logo, several application icons, and the system tray with the date 22/05/2020 and time 11:07.

# Continued from 'Think About' tab

**Oliver Twist**

Written by **Charles Dickens**

What is the story about?

The book is about a poor boy who has no family because his mother dies in childbirth in a Victorian workhouse. The Workhouse owner, Mr Bumble, named the baby Oliver Twist and the book is about his adventures. When he runs away from the workhouse he meets a boy called Dodger who brings him to Fagin's house. He is an old man. There he meets some other homeless boys and Fagin offers him a place to stay. He teaches him to steal and things go wrong for Oliver from there. There is a really mean character, one of

I really enjoyed this book because there were lots of ups and downs and unexpected things happened. It was full excitement and suspense. It was very well written for a children's version of Oliver Twist, a Charles Dickens classic.

I would recommend it because it is suitable for children of 8-12 years old.

# Next step: add a book cover picture

The screenshot shows a web browser window with the URL [https://www.purplemash.com/#app/pup/blank\\_book\\_reviews](https://www.purplemash.com/#app/pup/blank_book_reviews). The page is titled "Book Reviews" and features a form for adding a new review. The form includes a "Star Rating:" field, a "My Thoughts About The Story" text area, and a "What is the story about?" section. A red arrow points to a green circle with a white arrow icon in the top right corner of the image upload area. A blue arrow points to the "My Thoughts About The Story" text area. The browser's taskbar shows the Windows logo, File Explorer, Edge, and other applications. The system tray at the bottom right displays the time as 11:17 and the date as 22/05/2020.

When you have saved the book cover on your device, click the white arrow in the green circle.

# Now you choose 'From my PC'

It opens a new window. Now you need to find where your book cover is saved and choose it.

The screenshot shows a web browser window with the URL [https://www.purplemash.com/#app/pup/blank\\_book\\_reviews](https://www.purplemash.com/#app/pup/blank_book_reviews). The browser has several tabs open, including 'Outlook Web App', 'Piet Mondrian | Teaching Reso...', 'Book reviews by children - Oliv...', and 'Purple Mash by 2Simple'. The main content area shows a book review form with a toolbar on the left and a text area on the right. The text area contains the following text: 'The book is about a poor boy who has no family because his mother dies in childbirth in a Victorian workhouse. The Workhouse owner, Mr Bumble, named the Reference:'. Below the text area, there are two empty text boxes and 'Enter file name' labels. A red arrow points from the text 'Now you choose 'From my PC'' to the 'From my PC' option in the 'Open file' dialog. A blue arrow points from the text 'It opens a new window. Now you need to find where your book cover is saved and choose it.' to the 'Choose File to Upload' window. The 'Choose File to Upload' window is a file explorer showing the 'Documents' folder. The file explorer lists various folders and files, including 'Activ Software', 'Bluetooth Folder', 'Custom Office Templates', 'Downloads', 'My Music', 'My Pictures', 'My Videos', 'OneNote Notebooks', 'Optimizer Pro', 'Promethean', 'Default.rdp', and 'Desktop - Shortcut'. The 'File name' field is empty, and the file type is set to 'All Files (\*.\*)'.

When you found where the book cover photo is on your device , a new window opens: to import photo, click 'Choose'.

Now it looks like this 😊

# Save it on your device and upload it to Google Classroom.
