Google Earth

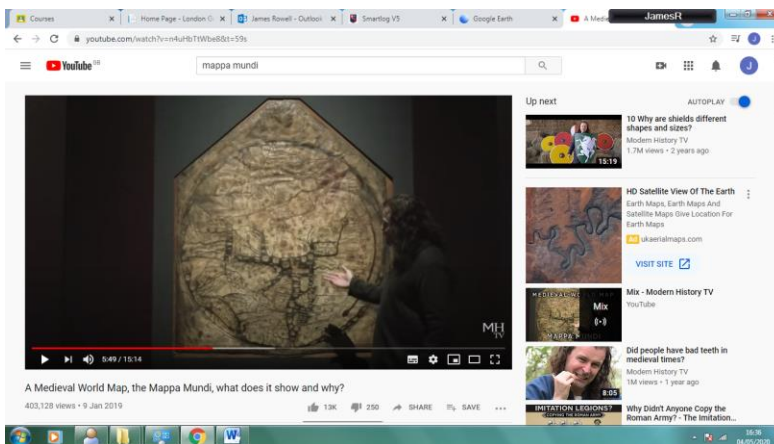

Last week, we were creating journey's using Google Earth.

Part 1

This week, I'd like us to start thinking about an ancient map and how it compares to Google Earth. Watch the video on what is called the Mappa Mundi.

Part 2

Think about what you now know about this ancient map and what you've learnt about Google Earth. List the ways in which it is similar to and different from Google Earth.

Display this information however you choose.

It can be in the form of a drawn poster or a table on a Google Sheets document, it's up to you.

I will award Dojo points for really good examples of learning.
