

## Maths - Week beginning 13.7.20

This week our maths focus is: **positional language**. We will be recapping our understanding of positional language.

### 1. **Recapping positional language through songs:**

Where is the monkey? <https://www.youtube.com/watch?v=idJYhjGyWTU>

Where is it? <https://www.youtube.com/watch?v=8FONYBBKczM>

### 2. **Using positional language:** Practise using different positional language.

Try playing positional language game with your adult using the word card or objects you have in your house. Can you describe what position they are in? Try completing some of the worksheets.

### 3. **Create a set of instructions using positional language for some else to follow:** Why not create a treasure map? Can you write some instructions for them to get to the treasure?
