

PAPER PLATE JELLY FISH ART

What you need-

Paper Plate

coloured Paint

Glitter or sparkly tyhings

Ribbon or tissue paperBlack and white paper to make eyes

PVA Glue

Scissors

Help your child to use coloured paint to decorate the paper plate, with their hands, hand under hand, with a brush etc

Then put glitter on the paint to make it sparkle

Trim the paper plate to a 'jellyfish' shape and then turn the paper plate over.

Cover the freshly cut edge with a generous amount of PVA Glue.

Cut a number of strands of ribbon or tissue paper to various lengths.

Add the ribbon to the paper plate, ensuring they're nicely spaced out.

Cut out a pair of white and black circles to create eyes and add them to the jellyfish.
