- We are going to recap some of our maths data skills. This week, we are looking at bar charts.
- Looks at the bar charts on the worksheets and answer the questions.
- Don't forget to use you Times Tables Rockstars login to practice your Times Tables (3,4,6,8)

- This week we're looking at habitats around the world.
- Look at the sheets with pictures of different habitats and creatures.
- Create your own habitat.
- What is it like? What is the temperature like? What colours can you see? What kind of animals live there?

**RE:** Choose a moral that is important to you. Create your own moral story using your chosen moral. Include characters and events that show why your moral is good/important. You can use stories from different religions to help you.

**ART:** Take a look at Rene Magritte's famous artwork, 'Bowler Hats and Fruit'. What do you notice about it? How do you think he did it?

Create your own version, but change the hat shape, fruit choice, or both!

**Topic:** This week, to continue our theme of pollution and flooding, we are going to look at water pollution. Do some research on water pollution, and find out how each of the objects in the worksheet is creating water pollution.
