

Design Plan

| | |
|--|--|
| Product name: | |
| Purpose? What is your product for? Eg fun, educational etc | |
| Materials needed for product? | |
| Type of circuit? Why have you chosen that type of circuit? | |
| What components would you need for your circuit? (wire, battery, motor, light, buzzer etc) | |
| Target market (who is your product for?) | |

| | |
|--------------------|--|
| Drawing of circuit | |
|--------------------|--|

| | |
|-------------------------|--|
| Design of final product | |
|-------------------------|--|
