

WATERCOLOUR AND SALT CORAL REEF ART

WHAT YOU NEED

white paper

watercolour paint or paint mixed with water

salt

Scissors

Glue

1. Use fingers/brush to make animals and shapes on the paper
2. Before the paint dries, sprinkle some salt onto the colours

3. When the paint is dry, shake off the salt
4. Cut out some shapes such as fans, fishes, blobs etc
5. Get some blue paper or cover another piece of paper with blue paint
6. Stick the shapes onto the blue paper and you've got a coral reef!
