

Transition to Reception

All about me: My history

Well done for all your hard work at home and at school. It has certainly been a strange and unusual time for us all. During the summer holiday you will no longer be expected to complete the weekly home learning tasks. There is however, an optional summer holiday project that you can take part in if you wish to. If you choose to complete the project, please bring it into school in September to show your peers and new teacher!

The Summer Project

This project is all about you! Write, draw or make something that tells others about yourself. You can be as creative as you like with how you choose to present the information.

Here are some ideas of the things you can do:

- Create a family tree to show who is in your family.
- Draw a self-portrait of yourself.
- Make a short video about yourself.
- Write a book about yourself. What do you like? Dislike? What is your favourite food?
- Make a model to represent something you like to do or are good at.

Best of luck. We look forward to seeing your completed project!
