

Dear Parents,

This week I am going to share an image for you to look at with your child so that you could do some P4C as a family. Here are some questions you could ask your child:

What does this picture make you think about? Any first thoughts/ideas/themes? For example, feeling alone, being different, needing a helping hand.

To promote discussion you could ask these question openers:

What would happen if...?

What do you predict will happen...?

Where do you think...?

Why do you think...?

Why fit in when you were
born to **stand out**?

Questions you may want to discuss:

Just because you are different, does that mean you don't belong?

How does a difference stop you?

What would we be like without difference?

How can we fight our differences?

Why and how would we celebrate difference?

Remember in P4C there are no right or wrong answers!

This can be written in your home learning book or on on Google docs.
