

# WORLD WAR II

## TRANSITION TO YEAR 6 SUMMER PROJECT

Well done for all your hard work and commitment with the home learning in these challenging times. During the summer break, you will no longer be expected to complete the daily home learning tasks. Each year group will be provided with an optional summer project which you can take part in if you would like to.

We look forward to seeing your projects when we are back in school after the summer holidays!

### Propaganda during World War II

Propaganda is a way of spreading ideas and influencing people. It played an important part in World War II as both the Allies and the Axis used propaganda to shape public opinion. It was used to raise the morale (happiness) of people at home and the forces fighting abroad, and to make the enemy seem more brutal.

### Your task!

For your summer project, you need to do a bit of research on propaganda during the World War II period. Once you have gathered enough information, think about creating a piece of work which involves propaganda during the war.

**Feel free to create this in any way you like!**

Here are a few ideas: a poster/ leaflet, newspaper article, PowerPoint presentation, information booklet, advertisement/ drama piece (this could be filmed), a film strip design, persuasive text and a play script.

**Look forward to seeing your propaganda pieces!**
