

Last week we looked at the history of carnivals. This week we are going to be researching different headdress ideas.

Here is a link to some fantastic carnival headdresses for you to look at or you can research your own!

<https://www.shutterstock.com/search/carnival+headdress>

Have a look at the wonderful colours and different styles. Can you see many differences between the headdresses worn by women and the headdresses worn by men? What materials are used? Do you prefer the smaller or larger headdresses?

Makes some notes in your home learning book or on google docs, draw your favourite one and use bright colours to colour it in. If you can send us your artwork we would love to see it!
