Craft Instructions

# Paper Plate Butterfly

# You will need...

Paper plate  
Tissue paper  
PVA glue  
Pipe cleaners  
Scissors  
Googly eyes

1.

Fold the paper plate in half, then cut a small triangle out of the bottom and top. Ensure you round the edges as you cut in so it's not a corner but a curved shape.

2.

Open up the paper plate and begin to decorate using pieces of cut or ripped tissue paper.

3.

Using a dark coloured tissue paper strip make the body down the middle fold of the plate. Then add googly eyes at the top of this.

4.

Fold a pipe cleaner in half; this will be the antenna.  
Glue this onto the back of the paper plate at the  
top and between the wings.
