

Week beginning 13.07.20

# Home Learning

- Log onto Google Classroom and have a look at the assigned work! Don't forget to hand in your work so that your teachers can see it! Remember your login is glued into your reading record!
- To do this Google: Google Classroom and log in
- Top Tip: You will need to put in your entire email address and not just the username like we do on the chrome books in school! For example:  
username@northbeckton.newham.sch.uk
- Once you login in you should be able to access assigned work for Year 5 and if you need to you can comment and we will be able to reply.
- Work can also be accessed on the North Beckton website under 'Home Learning'. If you have trouble logging in to google classroom- you can find the work here

- This week's activities are times tables, prime numbers, square numbers and cube numbers. If you need any help remembering these follow the instructions for each activity or alternatively take a look at BBC bitesize!
- Don't forget to go onto TT Rockstars for 10 minutes every day to consolidate your times tables!

## ENGLISH

- This week's writing task is based on the deep sea. You will be writing your own narrative, but before you begin writing there are a series of spelling, grammar, vocabulary and punctuation activities to complete which will help you to write your story. There are also lots of video clips to give you inspiration!
- Remember to read your library books for at least 15 minutes every day and to update your reading records. Let us know if you need any more library books from school. We can arrange this.
- Don't forget to go onto Spelling Shed for 10 minutes every day to develop your spellings further! I have looked at your accounts and can see who has been practising and can also create extra games for you to play to practise specific words! Please email us on [UKS2@northbeckton.tlt.academy](mailto:UKS2@northbeckton.tlt.academy) if you need a login and password.

- This week in topic we will be finishing off our South America topic with a quiz and word search!
- In RE, we will be reflecting on this half term's unit and thinking about who has the biggest influence on us.
- In Science we are continuing with life cycles.
- Time for Us this week will have a focus on mental health.
- In Art, we will be evaluating our headaddresses. We would love to see your creations so please send in any photos to [UKS2@northbeckton.tlt.academy](mailto:UKS2@northbeckton.tlt.academy)
