

A graph to show the number of books each class has read

1. How many books did Year 2 and Year 3 read in total?
2. What was the total number of books read by Year 6 and Reception?
3. What is the sum of books read by Year 1 and Year 2?
4. How many books did Year 4 and Year 5 read altogether?
5. How many books did Reception and Year 5 both read?
6. What is the total of the number of books read by Year 3 and Year 6?

Challenge

Who read more books- Reception and Year 2 **or** Year 3 and Year 4?

Who read more books- KS1 (Reception, Year 1 and Year 2) **or** KS2 (Year 3-6)?
