File Folder Activities

Guide Page

I love to be organized! For each file folder activity there are three labels included: Main Title, Tab Title, and Baggie Title. Follow the picture instructions to label the file folder before you laminate it!

Directions for Setup

Paste the two main pages (the two pages following the pieces page) on the two inside sides of a file folder.

Use the labels below to label the file folder. Put the main title on the cover, the tab title on the tab, and the baggie title on the baggie that stores the pieces. This helps prevent things from getting lost! Once labeled, laminate the file folder for longer use. Put hard velcro in the boxes on the file folder. Laminate the pieces page. Cut out the pieces and put soft velcro on the back of each piece. Store the pieces in a baggie.
