

**Nursery- Week Beginning 20.4.2020**

Whilst children are off and keeping safe at home we recommend children continue to complete activities set by school. We hope this will ensure some continuity in children's learning and development. Each week a homework project will be published on the school website under the designated area labelled **Our Learning/ Learning at Home/EYFS**. This will contain a range of activities under the main areas of learning for children to complete throughout the week.

Please can you record children's homework in the yellow books provided where possible. The yellow books will need to be returned to school when school re-opens.

**Advised Timetable:**

- Practise writing your name everyday.
- Complete a phonics and numeracy activity everyday.
