

Home Learning Adapted Group – Miss Akwa

Working with your child at home may seem a bit daunting in terms of keeping them occupied and balancing time out. At school, we find keeping to routines a very helpful way of keeping children focused and balancing out formal learning time with relaxation. This also applies to keeping fairly regular bedtimes and getting up times to keep things are 'normal' as possible.

	<p>7:30-9:00am Getting ready</p>	<p>Time to get up, washed, have breakfast and get dressed. Talk about the day ahead and ideas for activities.</p>
	<p>9:00am Reading and Writing</p>	<p>At school we start the day with some reading activities. This could be reading a book / newspaper / magazine / using online resources such as online news or BugClub. We also use Pobble picture of the day which can be found on www.Pobble365.com</p> <p>The children are focussing on inference questions where they are required to look through the text and find clues to answer questions. This would develop your child's understanding of text that has been read.</p> <p>A learning pack with a weekly timetable of activities will be sent out to complete with resources.</p>
	<p>10:30am</p>	<p>Time for a break and perhaps a snack. Is there an opportunity for your child to get active? Could they do some jogging / dancing if you are in the house? Is there a possibility to get outside for skipping / jumping / running?</p>
	<p>11:00am Maths</p>	<p>There are lots of resources that can be accessed online to help your children get quicker at number facts, and the school will have sent some activities home. Try the BBC website, Times Table Rockstars and Top Marks. Could you do some 'real life' maths together such as weighing ingredients for lunch or counting coins out and playing shops?</p> <p>A learning pack with a weekly timetable will be sent out to complete.</p>
	<p>12:00 Lunch and playtime</p>	<p>Could your child help to prepare the lunch, clear up and wash up? For playtime, is there a chance to get active again? Or could your child chose an activity they enjoy such as drawing / colouring...</p> <p>A learning pack with a weekly timetable of activities will be sent out to complete with resources.</p>
