Dear Mrs. Briggs,

I recently ate lunch in your café, and I wanted to tell you what a good time my friend and I had. It was one of the most enjoyable lunches I have eaten in town.

We were in “The Horseshoe Café” last Saturday lunchtime, and even though it was busy we were served immediately by a very pleasant young man. After ordering our meals, we were able to relax with the delightful view of the River Trent.

Thank you again for such a wonderful meal. I will recommend your café to all my friends, and you will definitely be seeing us again soon!
