

Geography

The Amazing Americas

twinkl

Aim

- I can tell you the names and locations of the ancient and new wonders of the world.
- I can describe the characteristics and significance of a natural wonder of the Americas.

Success Criteria

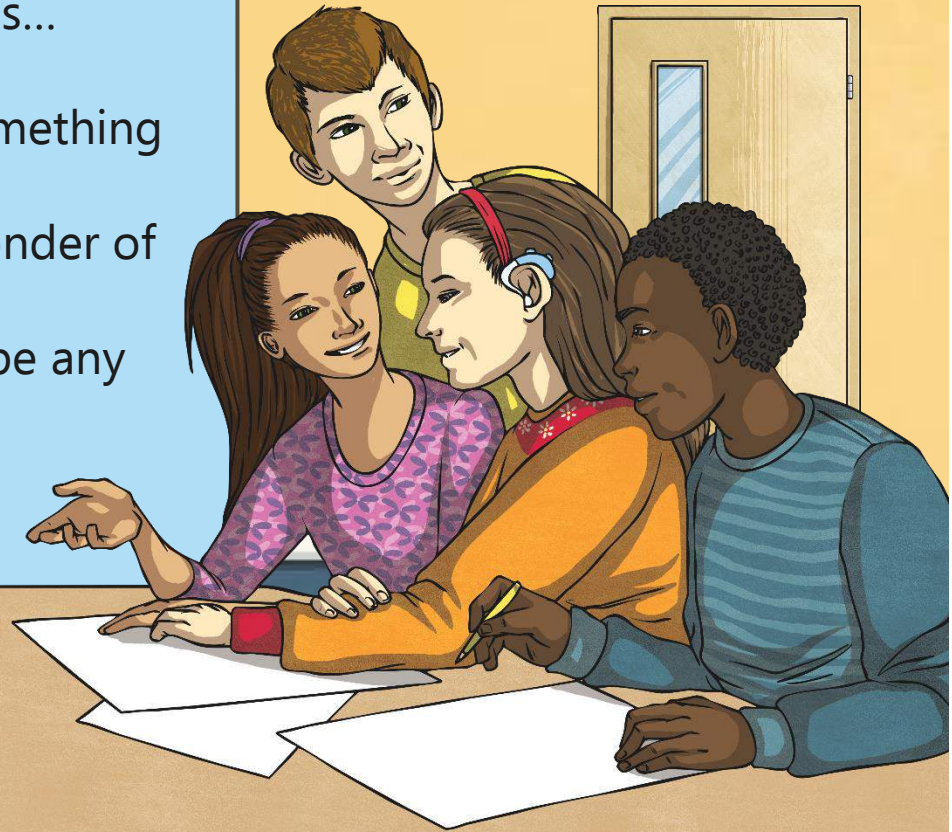

- I can use an atlas to locate the wonders of the world.
- I can create a map and key showing the ancient and new wonders of the world.
- I can read and write coordinates.
- I can describe a natural wonder of the Americas in detail.

Our Wonderful World

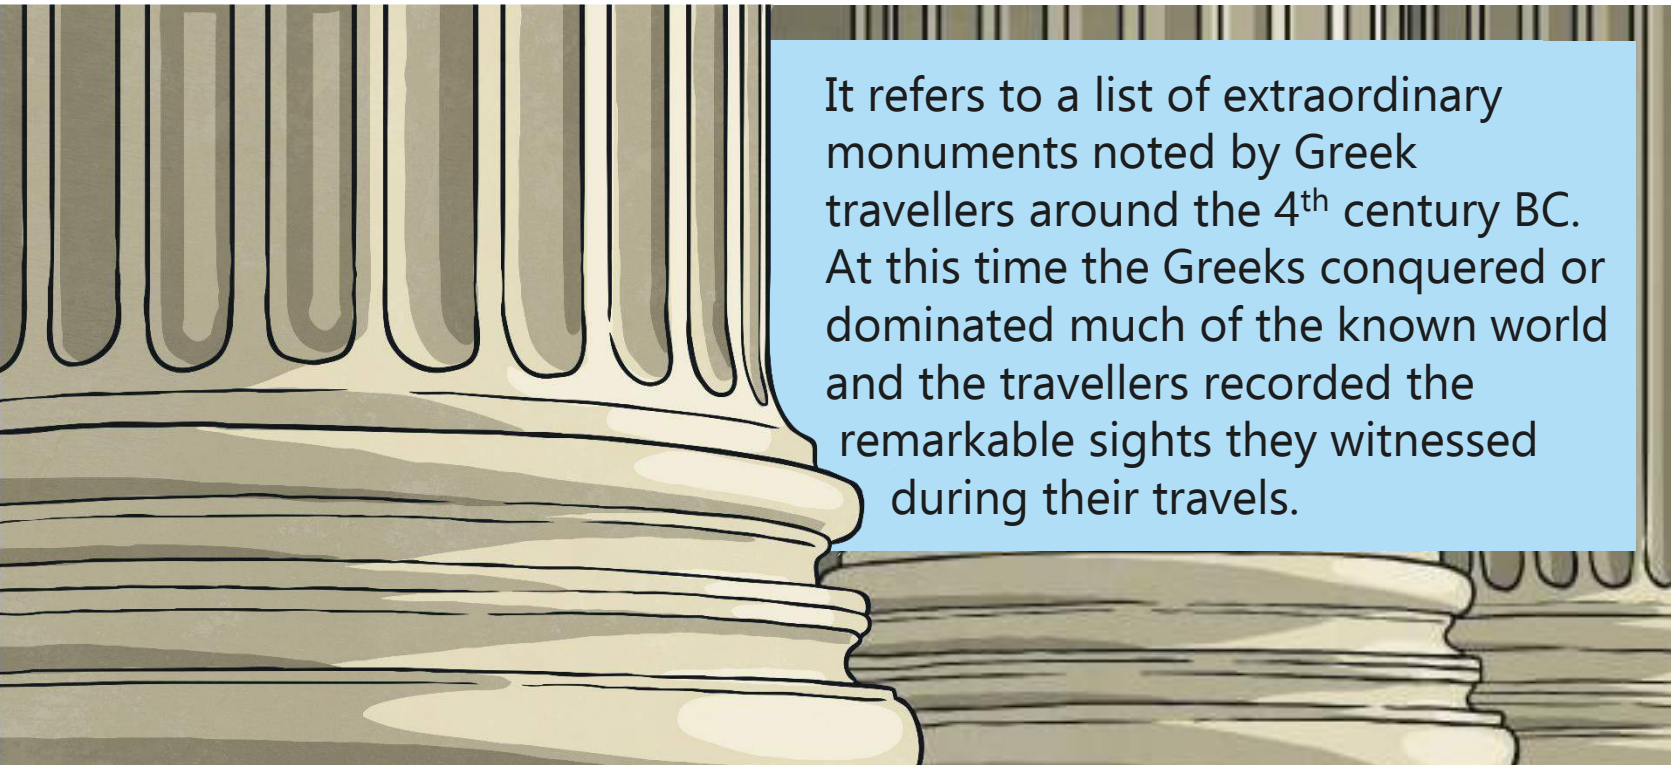

Think about these questions...

- What does it mean if something is a 'wonder'?
- What do you think a 'wonder of the world' describes?
- Can you name or describe any wonders of the world?
- What do you think a geological wonder is?

The Seven Wonders of the Ancient World

A detailed illustration of a large, fluted classical column, likely representing one of the Seven Wonders. The column is light beige with dark outlines. To the left, a portion of a domed building with intricate carvings is visible. The background is a soft blue sky with white clouds.

It refers to a list of extraordinary monuments noted by Greek travellers around the 4th century BC. At this time the Greeks conquered or dominated much of the known world and the travellers recorded the remarkable sights they witnessed during their travels.

**Do you know any of the Seven Wonders of the Ancient World?
Do you know where they are located?**
