Children first

At North Beckton, our children are at the centre of everything we do and our embedded school ethos is “We All Belong”. We have a resource provision for pupils with PMLD and we are very proud of our new re-build for these pupils in the heart of our school. We are also fully committed to supporting our pupils’ mental well-being and this is at the core of all our relationships within the school. We are about to launch a full new curriculum in September and would welcome your input into this exciting new journey for the school.

Committed community

Our community and our children are fully committed to their learning:

- 96% of parents would recommend the school to another parent
- 100% of parents say the school has high expectations for their child.
- 98% of parents say their child is happy at the school.

Ongoing high-quality career development

We are fully committed to helping you grow and develop. Our tailored CPD programmes provide clear pathways for your development while our bespoke leadership programme (in partnership with the TLLT and the IOE) develops the skills and knowledge you need to progress in your career.

Making a difference

At North Beckton you truly are making a difference. Many of our children have recently arrived in this country, others face substantial challenges. Whatever their background, school is often their sanctuary. They are incredibly eager to learn, make astounding progress, and repay your dedication with a faultless attitude to their work.
