

Dear Parents/Carers,

Welcome back to the new school year and I hope you've all had a lovely break. It has been great to see all the children back in school and looking very smart in their uniforms. We have got our Welcome Meetings next week (and the week after for year 6) and it would be great if you could come along to one of these to find out more about what your child will be learning this year. It is also an opportunity to find out about things like homework and PE days as well as meet all the staff working in their year group; there will also be opportunities to ask any questions you might have about the year ahead.

As mentioned in many newsletters last year, we are having a huge focus on our attendance this year and we will continue to not authorise any holidays during term time. Please do consider this when booking any holidays as this has a huge impact on your child's learning.

Myself and other members of SLT will continue to be in the playground before and after school every day so please come and chat if you have any questions (or just to say hello!)

Regards, Alison Helm: Head Teacher

**Welcome Assemblies:** Please come along *next week* at *either 9.30am or 5pm* to find out more about your child's new year group, their teachers and the plans for their year ahead.

Year 1 = Friday 14th Sep

Year 4 = Thurs 13th Sep

Year 2 = Monday 10th Sep

Year 5 = Weds 12th Sep

Year 3 = Tuesday 11th Sep

Year 6 = Monday **17th Sep**

### LOST PROPERTY

There is now a Lost Property Box in the foyer/reception area. If your child has lost any clothing and it isn't in their classrooms, it is likely to be in this box. To minimise the amount of lost property we have, please could I ask that all clothing is clearly labelled so it can be easily returned if misplaced.

### LUNCHTIME STAFF NEEDED

We are looking to recruit more staff to work in the school as Lunchtime Supervisors. This is everyday from 11.45am—1.15pm. If you are interested in applying for this role, please come and speak to Mr Mansuria in the school office, who will be able to give you an application form and answer any questions that you might have.

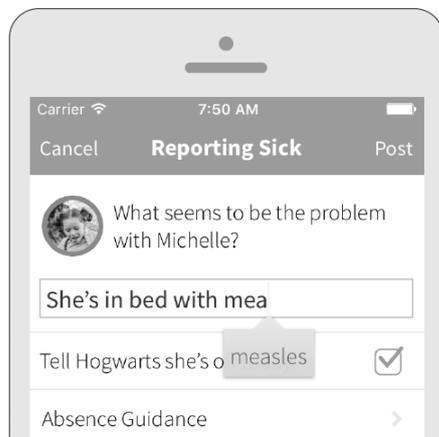

We have a new, safer system for reporting your child's absence due to illness.

It's called **Studybugs**.

Studybugs automatically enters sick reports straight into the register, which means we know right away if any children are unaccounted for.

Please use the free Studybugs app or the Studybugs web site to report your child's absence from now on.

After our consultation at the end of last term, we have now created our new school rules and vision. The children have been tasked with trying to learn these before our whole school assembly
