

North Beckton News

Dear Parents/Carers,

Another busy week at school. It was lovely to see so many parents/carers at our Maths Open Morning on Monday and keen to learn about how we are teaching your children maths. I know the children are always keen for visitors to come in so they can show-off their amazing skills. We will be continuing to have these open-mornings so please try to join in with the next one if possible. We have also entered some different competitions this week including a football competition at Kingsford and a Maths competition here in school. Although I do talk with the children that it is all about winning and that the joining in and trying hard is equally important, it is pleasing to announce that we did actually win both the football and the maths!

Go North Beckton Go!

Next week is both our re-arranged Parents' Evening on Thursday and then we are dressing-up for Children in Need on Friday. Please note, there are no after school clubs on Thursday due to Parents' Evening.

Thank you for your continued support as we move together in partnership.

Regards, Ms Helm

Our Rescheduled PARENTS' EVENINGS is:

Thursday 15th November

Unless we hear otherwise, we will presume you are happy with the time that had been previous allocated.

Please speak to your class teacher if this is no longer suitable.

There will be different events in the hall so please come along early and have a look.

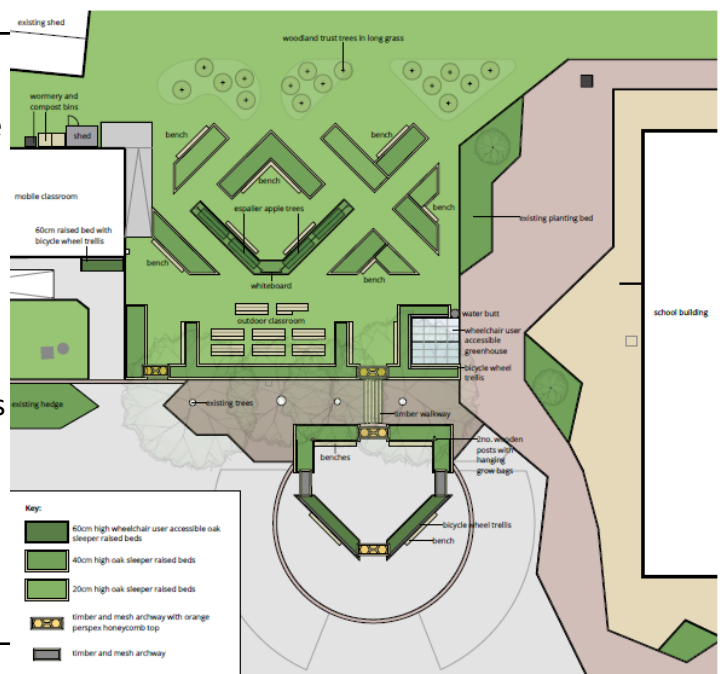

There will be **NO AFTER SCHOOL CLUBS** on this day.

We are joining in with Children in Need next Friday - 16th November. The children are welcome to dress up in spots or pyjamas (or spotty pyjamas!) for the day. We are asking that all children bring in a donation of 50p to join in with some fun afternoon events in the hall. There will be some cakes/sweets on sale so if they want to bring a little bit of extra money for that, we will then obviously raise even more money for this fantastic charity.

Edible Playgrounds Update

Our new and exciting edible playground is starting to be built in the playground. The Edible Playground staff met with all the staff and children last week so we can start to think about how we will use this amazing space. The children have come up with lots of amazing ideas about the different types of fruit and vegetables they want to start to grow. We will also be having some planting beds for parents so hopefully we will get some volunteers to come and join in once it is all up-and-running.

Time to return the Library Books.

The Beckton Globe has informed me that there are 22 books outstanding from our visits. Please could these be returned directly to the library or to the school reception.

The year 5 children had a fantastic time in the Lake District last week. There are more photos on our website if you want to learn more about what they got up to.

Academy Conversion Consultation

As per previous correspondence, please head to the school website to find out more about the school joining the Tapscott Learning Trust. There is also an opportunity on there to complete a short survey and give your views. Thank you for all the parents that have engaged with this process.
