

North Beckton News

Dear Parents/Carers,

We've had a lot of fun today dressing up and raising money for Children in Need. There are some photographs below and some more on our website. We have recently had a 'website update' so there is lots of new information on there about all the things we have been up to.

We have a phonics workshop next week for year 1 parents so please come along and find out more about how to help your children start to learn to read.

Next week is also our Year 5/6 residential trip to Fairplay House in Essex so expect the playground to be quieter than normal. We will add some photos to next week's newsletter and add them to the website so we can all see what the children have been up to.

Thank you for your continued support as we move together in partnership.

Regards, Ms Helm

You are invited to attend our

Year 1

Phonics Workshop!

This workshop will be an introduction to how we teach reading and help provide you with some strategies to support your child with phonics and reading at home.

Come along on

Wednesday 21st November 2018

Time: 9.10am

MATHS PARENT OPEN MORNING AND WORKSHOP

Thank you to all parents/carers who attended our Maths Open Morning and Workshop last week. Pupils had a great morning developing their mathematical knowledge and understanding through the use of Concrete, Pictorial and Abstract methods. Parents that attended were very keen to take part in different activities and shared some very positive comments and feedback at the end of the session.

TTLT Maths Competition

Pupils had great fun participating in a Times Tables Maths Competition held at North Beckton Primary School. Schools that competed in this competition were Years 1-6 children from: North Beckton Primary School, Curwen Primary School, Kensington Primary School and Ranelagh Primary school. The selected pupils worked really hard as a team to solve as many questions as possible in the time given.

Well done to all the children that participated.

Breakfast Club

There are always spaces in our breakfast club which runs from 7.30am every day. Please note, we need to stop serving food from 8.40am in order to tidy-up in time for the start of the school day. Can I please ask that parents **do not** send in different breakfast options with their children; if they want to eat at the club, they need to have the food that is provided.

Another New Minibus . . .

We're delighted with our second new minibus that has been donated via the Variety Club and from Canary Wharf Contractors Fund. We had a presentation last Friday to say 'a big thank you' to our donators. These buses obviously mean that all our pupils are able to access the different visits we undertake as part of our curriculum.

Academy Conversion Consultation

As per previous correspondence, please head to the school website to find out more about the school joining the Tapscott Learning Trust. There is also an opportunity on there to complete a short survey and give your views. Thank you for all the parents that have engaged with this process. **The closing date for this consultation is Sunday 25th November.**
