

Dear Parents/Carers,

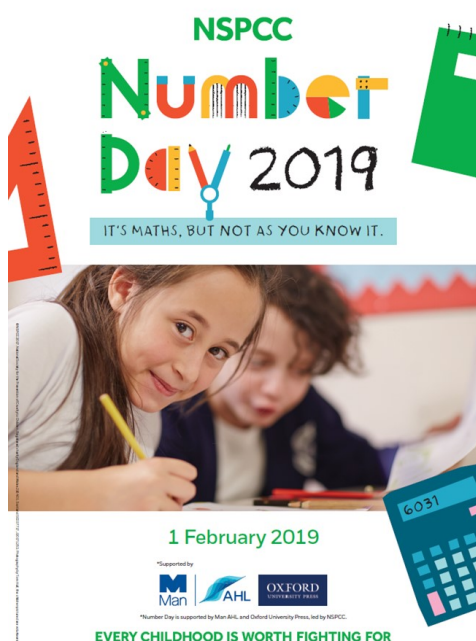

Another busy week at North Beckton with Year 4 undertaking their joint Bounceback Day and our Edible Playground now 'open for business' (albeit without anything being planted yet!). We have a number of exciting events coming up, including opportunities for you to come into school to find out more about your child's learning, so please continue to check the newsletter and website for information about this.

Thank you for your continued support as we move together in partnership.

Regards, Ms Helm

We continue to have lots of lost property and clothes left around the school. PLEASE could we ask that all of your child's clothes, especially their jumpers and coats, are well labelled so that we can get them returned to them. The lost property box is now in the school's reception so please come and have a look there if your child has lost something.

On Friday 1st February 2019, North Beckton will be taking part in a **Number Day** which is a maths-inspired fundraising day organised by the charity NSPCC.

On this day, we will be asking children to wear an item of clothing with a number on it and bring in a suggested donation of £1. This can be a sports shirt or cap, even a onesie. If children would like to, they could be more creative and dress up as a dice or calculator!

On this day, children will also be taking part in fun, exciting and practical maths sessions and will find out more about the charity NSPCC.

I am delighted to have been awarded a £5000 grant from the Foyles Foundation. This is to allow the school to purchase some new books, library furniture and different reading resources. As the school continues to be in a difficult financial position, I am always looking out for different grants to apply for; as such, if you hear of any, please could you pass the details onto the school office.

THANK YOU

Reception Places: 2019-2020

LUNCHTIME STAFF NEEDED

We are looking to recruit more staff to work in the school as Lunchtime Supervisors. This is from 11.45am—1.15pm five days a week. If you are interested in applying for this role, please come and speak to Mr Mansuria in the school office, who will be able to give you an application form and answer any questions that you might have. The most important part of this form is the personal statement section so please make sure you complete this part if you are applying.
