

Dear Parents/Carers,

We have had lots of children out on local visits this week; this has included going to the theatre in Stratford, the Victorian school in Mile End, the Velodrome in Stratford and a basketball competition at NewVic. As a school, we think these visits are an essential part of our curriculum and opportunities for our pupils to learn about lots of the opportunities that are available within our local communities. Some of our Year 6 children have also started on their Bikeability programme where they are learning about how to ride out on the local roads safely. When I asked how the first session had gone, the bike teachers replied that both groups were 'exemplary' - always good to hear! Obviously some of you will have been caught up in our practice Fire Drill on Tuesday morning. Thank you for being patient with us, as that obviously wasn't the best of timings, however it is helpful to practice these things at different times in the day.

Thank you for your continued support as we move together in partnership.

Regards, Ms Helm

A Group for Parents

Free For All Newham Residents

STEPPING STONES 8 WEEK PROGRAMME

Specifically addresses the needs of families who have a child with additional needs or disability.

What will I learn through Stepping Stones Triple P?

- Methods to manage behavioural difficulties and developmental issues common in children with additional needs
- The importance of taking care of yourself as a parent by improving your personal coping skills and reducing parenting stress
- The positive affect of using assertive discipline
- How to further develop a close relationship with your child
- Teaching your child new skills and behaviours

Venue: North Beckton Primary School

Day / Time: Fridays - 1pm to 3pm

Session dates: 8th, 15th February, 1st, 8th, 15th, 22nd March & 5th April

You are required to attend all sessions

To book a place please complete a booking request form at:
www.earlystartgroup.com/parenting or call 0203 373 3101

Come and join us . . .

All parents from Years 1-6 are invited to come into school next Friday, 8th February, from 2.30pm to find out what the children have been learning about computers and being online. It would be great to see you.

We were delighted this week to have been given an electrical piano from John Lewis. This was the keyboard that was used in store over the Christmas period and has now been donated to the school. I am very keen that we continue to work in close partnership with John Lewis as they seem very keen to support the work of the school.
