

North Beckton News

Dear Parents/Carers,

It's lovely to be back after the holidays especially with the weather now being so lovely. There is a lot going on this term so please make sure you are reading the newsletter each week so everyone is clear about what is happening; these are always added to our website as well, in case the hard-copy doesn't make it home in the school bags. We are currently trying to get our After School 6 O'clock Club up and running and we are looking for a suitably qualified person to run this. All the information about this can be found through the following link: <https://ats-npw.jobsgopublic.com/vacancies/view/87920>. Please share this with anyone you think might be interested.

Thank you for your continued support as we move together in partnership.

Regards, Ms Helm

North Beckton is using the online learning program 'Time Tables Rockstars' (TTROCKSTARS). Pupils can use Times Table Rockstars to improve their speed and accuracy of recalling times table facts!

To log on, visit the following website: <https://play.ttrockstars.com/> and choose one of the following games:

Garage - best for getting quicker at a few facts.
