

# North Beckton News

Dear Parents/Carers,

As we are starting to head towards the end of the Spring Term, it is a good opportunity to reflect on the progress we have made so far this year. We are particularly pleased that the children are really engaged and enjoying their learning and the feedback from the various visits out, about their behaviour and engagement, is very pleasing to hear. As a staff team, we are continuing to reflect on our positive communication to create effective relationships between ourselves, yourselves and with the children.

We are all very much looking forward to seeing you all at our Parents' Evenings and our open afternoon so we can share with you, all the great things that have been going on this term.

Thank you for your continued support as we move forward in partnership.

Regards, Ms Helm

## Upcoming Building Work

We are very pleased that Newham LA has recognised the much needed building work that is needed to continue to improve our school environment. As such, over the next 7 months, the following things will be happening in the main building:

- 1) The hygiene room and first aid room are going to be fully refurbished over the Easter holidays.
- 2) The roof over the main school hall and adjacent corridors is going to be replaced to stop the leaks that are currently happening every time it rains.
- 3) Starting over the Summer holidays, the provision for our PMLD children is going to be completely rebuilt in the heart of the school. This will include a new sensory room, a new purpose built classroom and a therapy room.

We are aware that this will mean quite a lot of disruption whilst the work is undertaken but we are confident that the outcome and finished product is going to be worth it.

All the classes will be starting their seed planting over the next couple of weeks in our Edible Playground.
