

Dear Parents/Carers,

Welcome back to the Summer Term; our new Edible Playground is obviously loving the combination of beautiful sunshine and heavy downpours that we are currently having!

We have started on the next bit of building work over the Easter with the hygiene room finally being re-fitted. Added to this, plans are well underway for the new roof and new PMLD provision that will start over the Summer holidays.

Thank you for your continued support as we move forward in partnership.

Regards, Ms Helm

Parents' Evening

Thank you to everyone who came along to our Parents' Evening in the last week of last term. I believe it is very important for the children to see us all working in partnership to support them with their learning. If, for whatever reason, you were unable to make this meeting, please could you chat to your class teachers about meeting with them one day before or after school . . it isn't too late!
