

Dear Parents/Carers,

As a school, we have started monitoring our teaching through 'review days'. As part of these, we will ask for parents views and opinions so if you ever see us out in the playground in a morning 'with a clipboard', please come and share your thoughts with us. I had the pleasure this week of inviting your local councillor, Cllr James Asser, into school to show him the work we have been doing with the Edible Playground, Forest School and cycling. He is keen to do more work with the school and to use it as a place to gather the views of his constituents (i.e. you!) The school office has informed me that they are aware that a number of families have moved house although we do not have the new address. It is a legal requirement that we have accurate contact details for all our children so please can these new addresses (and/or phone numbers) be brought to the office so we can add it to your child's file.

Thank you for your continued support as we move forward in partnership.

Regards, Ms Helm
