

Dear Parents/Carers,

We've had a great week at North Beckton with some different outdoor visits and learning opportunities going on. Lots of classes have visited the library to start their Summer Reading challenge and will be going again next week to get some new books. We are also starting to think about the end of term and all the various exciting events this entails. There are a number of opportunities for you to come in to school and join in with things so please check these dates on the back of the newsletter and add them to your diaries.

Regards, Ms Helm

Variety Trip to Southend

Some children were lucky enough this week to join in with a Variety Trip to Adventure Island in Southend. This is the same charity that donated us the two minibuses and there are a few trips coming up over the next month that they have sponsored. We are obviously extremely grateful for these opportunities.

Fame again this week as we are on the front of the Newham Mag supporting Newham councils cleaner air campaign.
