Year 6: Tuesday 23rd July—Leavers' Assembly

9.30—11.30am

It would be great to see you at these parent drop-in events.

Dear Parent/Carer

On Wednesday 26th July the Trust worked with the school to carry out a Peer Review. The purpose of this was to work in conjunction with the school to look at the developments and also what it plans to do to continue its work with yourselves and the children.

This is part of The Tapscott Learning Trust school development work and we carry these out at each school every two years, after an Ofsted Inspection.

Firstly I would like to thank you all for your openness and comments that you made regarding the school. It was clear to all of the people involved that you hold the school in very high regard. It is also clear that you feel a real part of the school and the school listens to you and makes changes to meet the needs of your community.

It was fantastic to work with everyone at the school; the children were amazing and a real credit to everyone.

I am delighted to report that we feel that the school has made huge progress from the Ofsted inspection two years ago, and as many of you have said it is now a school of choice where the children are at the centre of everything that the school does. We are very impressed with what has been achieved in such a short amount of time.

There is always more to do and as a Trust we look forward to being able to work in partnership to further strengthen the school.

Again thank you for all that you do together to improve the life chances of the children and it is clear that through working together we are achieving for all.

Yours Sincerely

Paul Harris

CEO and Executive Head

The Tapscott Learning Trust
