

## School Council Presentation to North Beckton Governors

We are the new School Council for 2019-2020  
We were democratically elected.

We wanted to be school councillors for different reasons.

We have been trying hard to remember everyone's name.

We discussed the skills we think we need to be effective school councillors...

We are going to practise and develop these over the year

Can you guess what they are?

## World mental health day!!

This year we are working to support world mental health day.

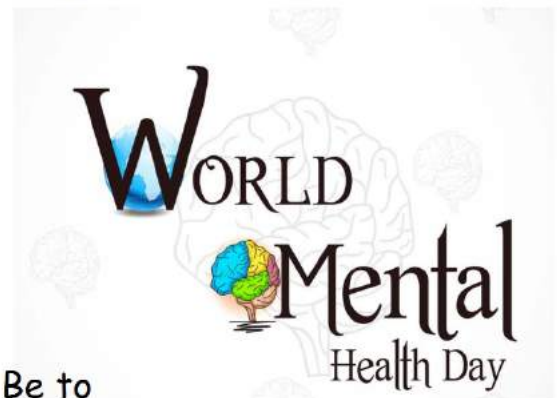

1 in 8 people aged under 19 in England have a mental health disorder, This is why we want to raise money and awareness for mental health services.

Some ideas we have been working on so far:

- Market stalls
- Fun sport activities
- Arts and crafts

We have also started to work with Place 2 Be to promote good mental health at North Beckton.

## Eco Projects

### Our Edible Playground and Eco Team

We would like to carry on our successes from last year and establish an eco team and edible garden monitors.

We achieved our aim of having recycling bins in every classroom!

This year we have begun to grow a wider range of plants and we would like to incorporate the outdoor classroom into more of our learning.

## Christmas Shoebox collection

Instead of Children in Need and harvest festival we will be working on this subject.

Christmas shoebox collection is about helping to bring joy, love and hope to children in need around the world each year.

From the 11th - 18th of November children at North Beckton will be making up shoeboxes to pack off to children in need.

Examples of things to put in the shoebox are toys, accessories, school supplies etc.

Other ideas we have been discussing...

School council challenge - to involve more pupil voice as well as having a school council suggestion box to encourage contribution

1. Creativity challenges
2. Recycle challenges
3. Academic challenges

**CHALLENGE**

Supporting local charity (Richard House)

Later in the academic year we will be aiming to raise money for a local charity, such as Richard House.

## TTLT Pupil Parliament

1/3 of our members also now attend the TTLT Pupil Parliament as the North Beckton Representative

The schools are going to work together to raise awareness and money for mental and physical health in school such as through hot chocolate and smoothie mornings.

We are also going on joint visits to the Houses of Parliament and City Hall. We are keen to share our views about global fundraisers like climate change and poverty.

**Thank you for listening!**  
**Do you have any questions**  
**or anything you would**  
**like us to focus on?**
