

Dear Parents/Carers,

We've had a great week this week with our Year 3 and 4 children undertaking their joint 'Bounceback' days with Curwen. During these sessions, the children have been learning about what being 'angry, frustrated and sad' can feel like and some strategies to help us when we feel this way.

I've also attended an exhibition that specialised in equipment for children with specific disabilities so that we can make sure we are getting the best possible equipment into our new PMLD classrooms.

Best Wishes,

Alison Helm: Head Teacher

WANTED – PARENT GOVERNOR

Our school's governors are volunteers who work together for the benefit of North Beckton Primary School.

We are currently looking for a new Parent Governor and would be delighted to hear from any parent who may be interested.

To be a governor you will need:

- 1) To have a child currently in school
- 2) To be interested in education and in our school in particular
- 3) Want to play a part in improving our school
- 4) Willing to give 3-5 hours per month to attend meetings, training and school events.

If you are interested, please speak to the school office for more information and a nomination form.

Our Year 4 children have been working alongside the LSO to develop their musical skills.

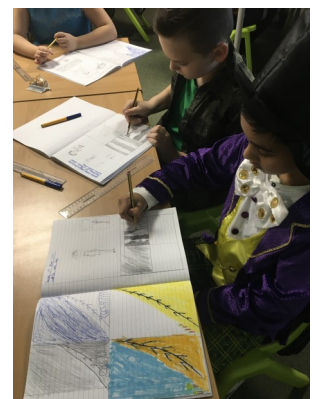

Well done to last week's 'Stars of the Week' who we all celebrated in our whole school assembly on Friday.

World Book Day

We had great fun on Thursday learning about different illustrators.

Class Photo Day

On Wednesday 11th March, we will be having our annual Class Photos taken. Please can you make sure your child is wearing their uniform on that day and looking smart. If your child is new to our school since September, we will also be using this as an opportunity to take their individual photograph.
