

YEAR 3 - Week Beginning 30.3.20

- Our spelling learning this week was looking at - words with a 'sh' sound that are spelt with a 'ch'. Use the look, cover and write sheet to practise and then test yourself with the word search. Underneath write the meaning of each word and put it in a silly sentence.
- Now we have finished 'Fortunately, the Milk' use the template to create a book review and gather your ideas and thoughts.
- Put these into a written letter to the author Neil Gaiman to describe to him your favourite and least favourite parts of the book, the character you enjoyed the most, any questions you have and whether you think Dad's story was real or fiction.

- We have been looking measurement and units of measure in maths. Using your knowledge, work out the length, volume and weight from the ruler, jug and scales on the worksheet.
- Don't forget to practice your Times Tables (3,4,6,8 in that order)

Animals (including Humans).

- We are learning about plants and how they grow.

<https://www.dkfindout.com/uk/animals-and-nature/plants/how-plants-make-food/>

Do some research online about photosynthesis. Draw a diagram of a plant and label all the parts showing the process of photosynthesis. Use the links above to help you.

Geography: Climates of the World. Think of a climate - polar, temperate, desert or tropical. Research some information about the climate and create a fact file. Draw a scene from that climate and what you might do there.

RE: Pupils will be looking at the idea of good & evil. Create a diagram or poster and choose one person (real or fictitious) that represents good, one for evil, and one for both/neither and explain why you choose them and what makes them good, evil or both/neither.

Computing: Purple Mash: Use your log-in to create a leaflet advertising and telling us all about your sandwich! Include what ingredients you used, why you chose them, a price and the name of your sandwich. Once you have logged into Purple Mash click on Tools - 2Publish - All about.

ART: Take a look at the fact file you created about Vincent Van Gough last Week and the pictures in your pack to study his paintings. Use this to create a drawing of your own in a similar style - try to find something outside that captures your interest.

DT: Use a blank piece of paper to create questions and collect feedback about what people thought about your sandwich. Underneath write a paragraph explaining what you would keep the same and what you would change and improve.

Chess

Use the free online chess apps to practice your moves and learn how to beat your friends when you return. Chess Prime 3D is a good example of one you can use or if you have a board at home, challenge your parents to a game.
