

Dear Parents and Carers,

We hope you are all staying safe and well.

In Lower Key Stage 2, we are starting to use 'Google Classroom' to further develop your child's learning from home.

The activities will mirror those existing online but Google Classroom allows teachers to mark and respond to the children's learning and enables them to communicate in an alternative way to the home learning streams already available.

A member of the LKS2 team will be contacting you soon to give you your child's login details or if you prefer, you can email LKS2@northbeckton.ttl.academy and we will send them to you.

Over the next few pages is a step by step guide that will help you login and use Google Classroom with your child once you have set up. If you have any difficulties, then please contact the school or use the email above and we will get back to you.

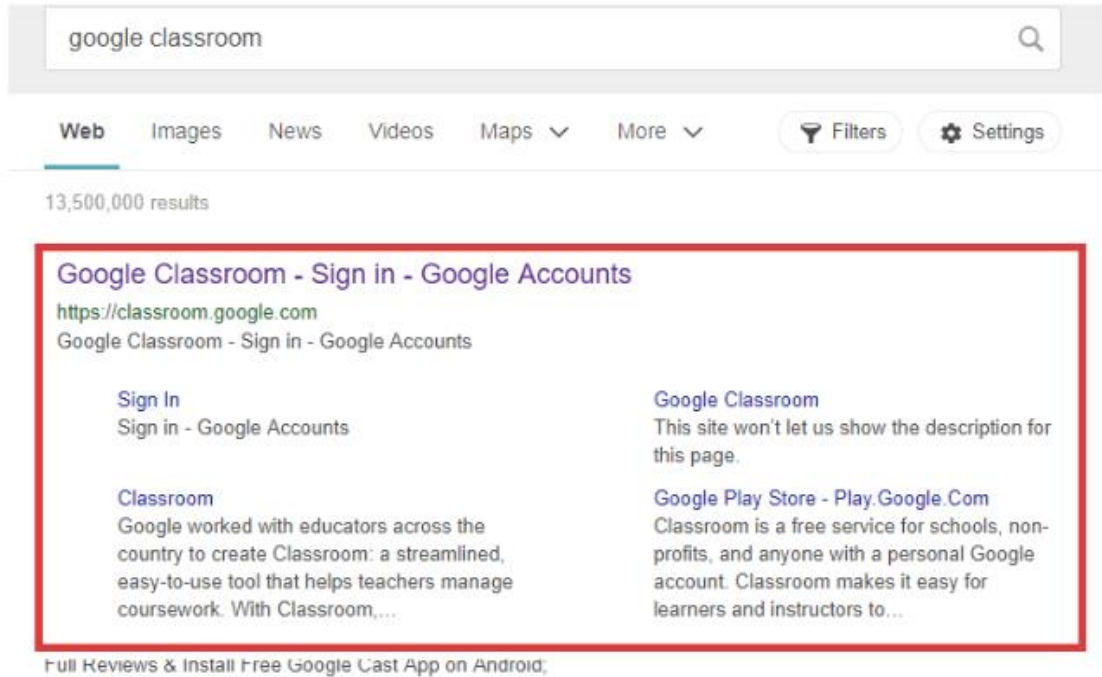

Take care of each other and we look forward to seeing you all soon.

With regards

Year 3 & 4 Teachers.

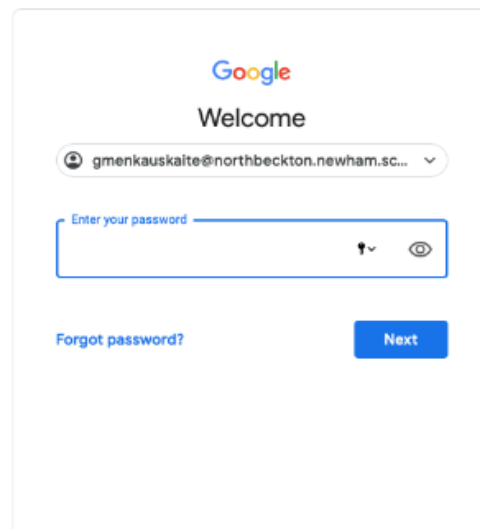

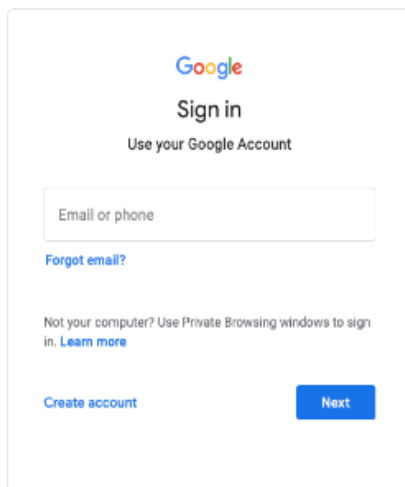

Follow these instructions to logon to *Google Classroom*

1) In *Google*, search "*Google Classroom*" and click on it

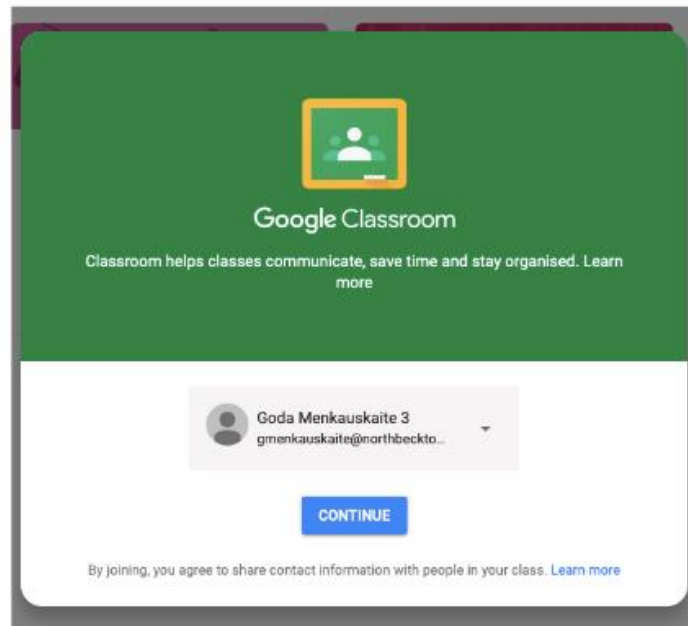

2) Use the login details you have been given to enter your email and password

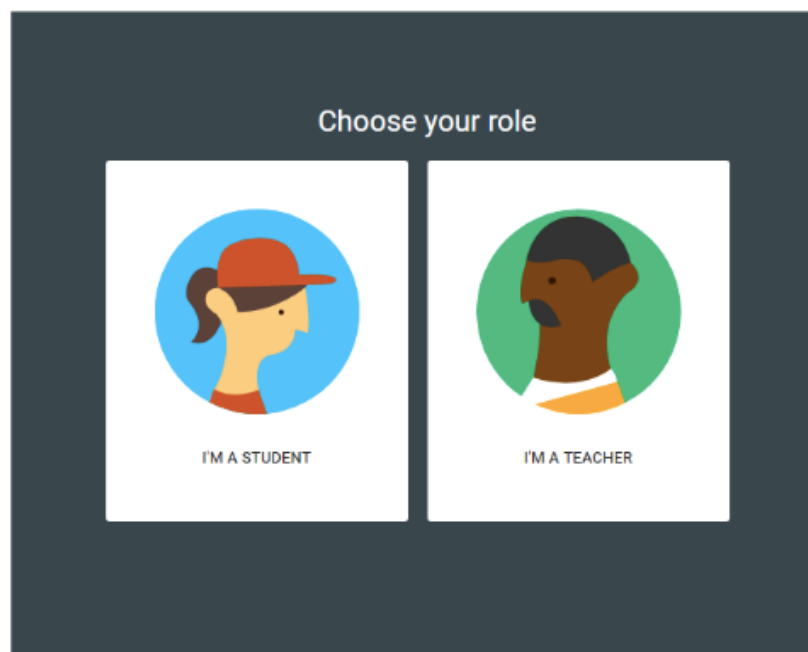

Your child's email is the intial of their first name followed by their family name and always ends with @northbeckton.newham.sch.uk

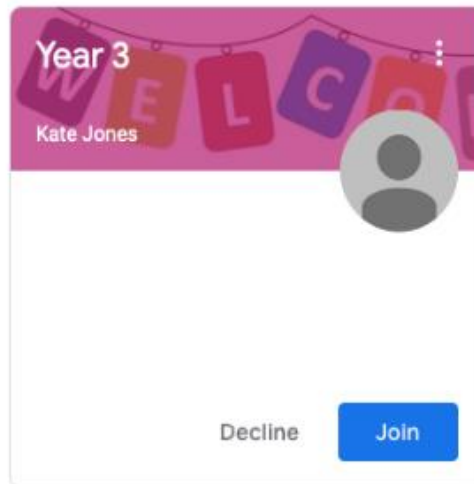

3) Next click continue to login to Google Classroom

4) Select "I'M A STUDENT"

5) You will be shown the year 3 page - click join

6) You will then see the Year 3 page where your work will be assigned and marked
