

WELL DONE AND THANK YOU

A quick note to say a HUGE well done and thank you for all your support with your child's Home Learning over the past three weeks. I know this is an unbelievably difficult time for everyone and the fact that you have all managed to get your children up, into routines and accessing their home learning is testament to the importance you all place on your child's education. Please remember all school staff are here to support in any way we can so please do not hesitate to call or email if there is anything we can do to help. We are aware that everyone is trying their best at this time, so please make sure, as parents, you are also finding time, each day for you!

Stay safe, Ms Helm
