

Dear Parents/Carers,

As mentioned in my Studybugs message on Friday, 'THANK YOU and WELL DONE'. You are all doing such an amazing job in getting your child into a routine with their home-learning and supporting them with this. This is obviously far from an ideal situation, but I know every single one of you is trying your best.

We launched our end-of-term Bake Off competition on Friday; I am certainly no chef, and it has been years since I even thought about baking a cake . . . however I had a go this weekend—if I can do it, you can too!

Enjoy,

Regards, Ms Helm

We are opening the North Beckton library service for our home learners to come and choose books to take and read at home. The library service will be open every Monday and Tuesday from 9:30am- 2:30pm.

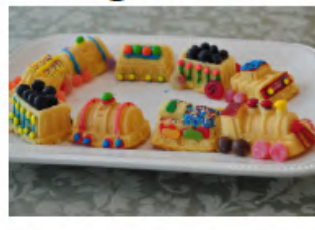

MEETS

Junior BAKE OFF

Calling all budding bakers . . . (and those people who just like to eat cake!) . . .

I've been inspired by watching Junior Bake Off (Channel 4, 5pm) and think we should all be following their example and try our hand at some baking . . .

You don't need to be creating masterpieces . . . just having some fun! In order to enter the competition, all you need to do is email or upload three photos:

- 1) You having fun making/decorating a cake**
- 2) The finished version of the cake**
- 3) Most importantly, everyone in your household EATING the cake!**

DEADLINE:

**Thursday 11th
February**

PHONE CALLS HOME

Your child's class teacher will be telephoning once a week to have a chat with you and your child. This is just as a 'catch-up' and a chance to share any problems and good news stories.

HELP WITH HOME LEARNING

There is a lot of information on our school website under the tab 'home learning'.

If you are struggling with anything, or need some links to the key websites, please have a look on here first.
